

# ***Krishi Sahayog Yojana (Agricultural Assistance Scheme)***

*Empowering Farmers for Sustainable Agriculture*

---

## ***What is Krishi Sahayog Yojana?***

The *\*Krishi Sahayog Yojana*, or *\*\*Agricultural Assistance Scheme*, is a government initiative aimed at providing financial and technical support to farmers to enhance their agricultural practices. Launched to support farmers facing challenges such as weather uncertainty, poor soil quality, and lack of modern technology, the scheme seeks to improve agricultural productivity and ensure food security. The scheme also focuses on promoting *\*sustainable farming techniques* and *environment-friendly practices*.

---

## ***Purpose of Krishi Sahayog Yojana***

The key objectives of the *Krishi Sahayog Yojana* include:

1. *Financial Assistance for Farmers*: The scheme provides financial support to farmers to improve their agricultural infrastructure, including irrigation systems, equipment, and seeds.
  2. *Promoting Sustainable Agriculture*: The scheme encourages the adoption of *environment-friendly farming methods*, organic farming, and water-efficient irrigation techniques.
  3. *Improved Agricultural Productivity*: By providing financial and technical help, the scheme seeks to boost agricultural output, making farming more profitable and self-sustaining.
  4. *Support for Small and Marginal Farmers*: It especially targets *small and marginal farmers*, who often lack resources to invest in advanced agricultural practices.
- 

## ***Benefits of Krishi Sahayog Yojana***

### ***1. Financial Aid for Agricultural Growth***

- Farmers receive *subsidies* for purchasing agricultural equipment, quality seeds, and fertilizers.

### ***2. Increased Productivity***

- The financial support helps improve *crop yield* and *farm productivity*, thereby contributing to higher income levels for farmers.

### ***3. Promotion of Modern Farming Techniques***

- The scheme encourages the adoption of *modern irrigation systems* like drip irrigation,

#### ***4. Environment-Friendly Practices***

- The scheme promotes sustainable practices like *organic farming* and water-saving technologies, ensuring long-term environmental benefits.

#### ***5. Training and Capacity Building***

- Farmers can access *training programs* on the latest farming techniques, pest management, and soil health improvement.

#### ***6. Improved Livelihoods***

- The scheme helps increase farmers' income by making their practices more efficient and cost-effective.

---

### ***Eligibility Criteria for Krishi Sahayog Yojana***

To be eligible for the *Krishi Sahayog Yojana*, farmers must meet the following conditions:

1. *Farmer Type*: The scheme targets both *small and marginal farmers* and *big landholders* who wish to adopt modern farming methods.
2. *Land Ownership*: There is no strict limit on the landholding for eligibility. Farmers from both small and large farms can apply.
3. *Indian Citizenship*: Only *Indian citizens* are eligible for the benefits of the scheme.
4. *Adoption of Sustainable Practices*: Farmers must agree to implement *sustainable and eco-friendly farming practices*, such as organic farming, water conservation methods, or using bio-fertilizers.
5. *Regional Availability*: Depending on the region, eligibility may vary, especially with respect to specific crops or farming techniques being promoted in that area.
